Thanks for letter - I not  
yet read copy of Psy Rev  
but have one + will soon. It is  
a very good looking book.

I have not had time  
to do any manuscript  
preparing - just answering  
mail - after a long time  
(3 yrs.) away from home -  
will send you something  
in the next months I  
hope - good luck -
